STAT

A   called, saying he understood his agency in Baltimore was transferring to CIG and also that someone in this Office was working on the T/O. He would like to discuss his position under that T/O. - I merely took the message.

S STAT

-----  
In conversation with  was impressed with the fact that  was handling all administrative details of the transfer of SDS and that any questions he had should be taken up with him.  was further advised that if he had submitted his application independently to CIG, it would be handled through channels and that no calls to this office were necessary.
